DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 3 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. the Applicants use the term "preferably." Description of the examples or preferences is properly set forth in the specification rather than the claims. If stated in the claims examples and preferences lead to confusion over the intended scope of a claim. Therefore, each occurrence of "preferably" should be deleted.
